

STOP, DROP & MUD 5K

CENTRAL FIRE – MUD RUN

CAN YOU HANDLE THE MUD?

Saturday, April 28, 2018

This event is sponsored by the Central Calaveras Firefighters Association to raise needed funds for critical fire-fighting equipment for Central Calaveras Fire. Four start times for a 5K mud & obstacle course run, with vendors and lunch items.

This show is for handmade crafts, non-profit booths and high quality commercial booths with an emphasis on booths that are either fitness or fire-fighting related. This is NOT a flea market or garage sale.

Spaces are about 10x10 and are available in the orchard along the bike path. There is shade along the path and under the trees most of the day; however you may want to bring your own overhead protection. Bring your own tables and chairs. There is a limit of two spaces per vendor. Spaces are designated on a first-come, first-served basis.

Set-up starts at 7:30 AM. **All vehicles must be removed from the park to the designated parking area by 9:00**, unless you are parked in the orchard. The craft fair opens at 9:30. Please, no breakdown before 2:00.
